This Child Abuse Reporting Policy and Procedure applies to employees and the Sexual Conduct or Abuse Policy applies to employees, contractors, agents, and volunteers. Serendipity complies with all laws regarding the reporting of suspected child abuse, including ORS Chapter 419B.

All school employees, regardless of employee classification, are mandatory child abuse reporters. Under Oregon law, this means that any school employee having reasonable cause to believe that any child with whom the employee comes in contact has suffered abuse or that any person with whom the employee comes in contact has abused a child, must immediately report the abuse. The CPS reporting number in Multnomah County is (503) 731-3100/ (800) 509-5439. After hours or on the weekends, employees can also call (855) 503- SAFE.

Procedure

It is the responsibility of any staff member to report the facts of suspected child abuse to the Case Manager, the Treatment Director, or the Principal, immediately. The staff member who suspects, observes signs, or becomes aware of any of the following should submit an incident report immediately.

After the incident, report is written, the mandatory reporter will, with the assistance of the Clinical Case Manager, Treatment Director, or Principal, report the incident to the Child Abuse Hotline, for the county where the child resides. Note should be made regarding the time of the call and the name of the hotline worker responding to the call, as well as any comments from the hotline concerning follow-up plans. Case Managers must notify the Principal/Treatment Director immediately, to ensure the school office is ready to receive caseworkers and/or law enforcement officials.

In all cases, it is imperative that a call be placed to the Child Abuse Reporting Hotline as quickly as possible, to ensure as much time is remaining in the school day for Child Welfare officials to begin their investigation while the child is at school

The Child Abuse Hotline will communicate with the appropriate police department to coordinate response services for each situation. The Case Manager, Principal, or Treatment Director may request information on what action will be taken.

If an employee makes a report of child abuse involving a student, the employee is required to submit a written, detailed account of the call to the Treatment Director, who keeps a log of such calls. Once a report is made, the reporter should not discuss it with anyone except the Treatment Director, unless specifically directed to do so by the Treatment Director, law enforcement, or other authority. Employees are not permitted to disclose to the student's parents or the person suspected of abuse that a report was made.

Child abuse and sexual conduct by employees of Serendipity is strictly prohibited and will not be tolerated. If a report or concern about child abuse is raised about an employee, and Management determines that there is reasonable cause to support a report that an employee engaged in child abuse, the employee will be placed on paid administrative leave pending further investigation and resolution of the matter in accordance with the Sexual Conduct or Abuse Policy.

Violations of this policy may result in disciplinary action up to and including dismissal.

Anyone with questions about this policy should notify Director of Education & Compliance.
