Serendipity Comes Together for a Thanksgiving Meal

Leading up to the lunch, students and staff filled out leaves with what they are thankful for. The leaves made up a tree that adorned room 108's door. On Tuesday, it was moved to the dining hall as a decoration for the upper school meal.

To add to the Serendipity tradition of having a thanksgiving meal for lunch on the last day before Thanksgiving break, upper school decided to have a gathering where they were all served and ate together in the dining hall. It was fun to come together as a community and enjoy each other's company with some delicious food!

Dear Students,

I am so proud of all the students hard work this autumn in working on learning new skills. As the winter months approach please work together to find school appropriate coping strategies that work for you if it is too cold to go outside. Please reach out to staff to get the support you need to continue to make growth in being safe, in class, and on task. Have a great winter break and I am excited to continue to help you learn new skills in the new year!

- Thanks, Megan

Pokemon By Julian

Charmander, the fire starter of Kanto, Bulbasaur, the grass type of Kanto, and then last, Squirtle the water type of Kanto, these are the three starter types of Kanto that you can begin with. There are evolutions also:

Charmander → Charmeleon → Charizard

Squirtle → Wartortle → Blastoise

Bulbasaur → Ivysaur → Venusaur

They are good starters. My favorite starter Pokemon is Charizard, aka Charmander.

What will you be doing if it snows over Winter Break?

"I'm planning to go snowshoeing with friends!"

"Walking my dogs and playing in the snow with them."

"Playing with my new batman drone that Scotty got me for Xmas!"

"If it snows over winter break I will be so elated! Love, love, love it when it snows and I'm home."

"Sledding at the park near my house and making lattes at home!"

"I would be SO HAPPY!!!! If it were to snow, I would go sledding & cross country skiing & run in the snow."

"Being very careful not to fall and re-injure my ankle - and watching my kids go skiing!"

"Dressing up my Boxer Puppy in her Adidas Jogging suit and going for walks in the snow!"

"Hitting up the mountains!"

"I will build a snowman with my grandchildren and through snowballs for my dogs!"

"Snowshoeing!"
