International Women's Day is Friday, March 8th

The theme for this year's campaign is "Balance for Better"

The International Women's Day website states this about this year's campaign theme:

"The future is exciting. Let's build a gender-balanced world.

Everyone has a part to play - all the time, everywhere.

From grassroots activism to worldwide action, we are entering an exciting period of history where the world expects balance. We notice its absence and celebrate its presence.

Balance drives a better working world. Let's all help create a **#BalanceforBetter.**" (www.internationalwomensday.com)

Cut this out and wear it or post it somewhere on March 8th!

**We will help forge
 a more gender
 balanced world**
